

## **Student Release Form** **General Filming & Recording**

During the school year, students are occasionally photographed, filmed and/or recorded during school activities and field trips. For example, the recordings are :

- Exhibited at school as part of curricular and extracurricular activities.
- Published in internal/ external newsletters, public relations materials and other School publications.

\_\_\_\_\_ I **agree** for my child to be photographed, filmed or recorded by representatives of Seashore Academy. I hereby grant the school and approved assignees the right to use my child's actual or simulated likeness, photograph, voice, video, personal characteristics and other personal identification (the recording) for use in all manner of media, throughout the world. I understand that the school is the sole owner of all right, title and interest, under copyright, in and to all recordings.

\_\_\_\_\_ I **do not agree** for my for my child to be photographed, filmed or recorded by representatives of Seashore Academy.'
